imbumba
plant hire

Company Overview

imbumba
plant hire

Introduction

The name Imbumba is an IsiZulu word meaning (loosely translated) something that holds various parts together, solidifying them.

Imbumba Plant Hire (Pty) Ltd was established in 2006 with the aim of providing plant hire to the construction industry. The company has since included construction services in its market offering. (forward or backward integration)

Company Vision

To provide quality construction services in the development of South Africa.

Mission Statement

To provide solid first class services to all our clients at all times.
